# WELCOME TO CREATIVE SCIENCE LATES

Join us for an adults-only celebration of science at a special late Festival opening. Challenge yourself to a pub quiz from the Science Museum, take part in a hands-on workshop and enjoy live music curated by AZEEMA. Or head out to the terrace to enjoy a hangover-free cocktail.

- A** **AZEEMA presents ‘In awe and wonder of oneself’: a personal branding workshop**  
Explore yourself by answering questions such as ‘Who am I?’ and ‘Who do I want to be?’ in this self-reflective workshop, and create a manifestation board of your ‘future self’ using colours, textures and images.
- B** **Magnificent materials**  
Discover how scientists get inspiration from nature and use it to help them make better materials.
- C** **Can we take your breath away?**  
Jump on an exercise bike and get a better understanding of an under-diagnosed lung disease.
- D** **Engineering the conservation of art**  
Find out why science and engineering can help the conservation of cultural heritage and how it affects you.
- E** **Science Museum Pub Quiz**  
**18.30 and again at 19.15 (lasts 30 mins)**  
Assemble a team and put your knowledge to the test with the Science Museum Pub Quiz.
- F** **HOPE in the time of crisis**  
Explore the emotions that the climate crisis evokes through this photographic exhibition.
- G** **Experience a mosquito swarm**  
Come face-to-face with live mosquitos before you dive into a sonification art piece exploring malaria elimination.
- H** **Hangover-free cocktails**  
Head out to the terrace for a hangover-free cocktail expertly concocted by the SENTIA spirits mixologists.
- I** **Not Just A Story – Aliens, Avalanches and ATP**  
**18.30 (lasts 60 mins)**  
Enjoy an audio experience exploring a biological mystery inside us all, and meet the people whose lives and research inspired the story. Spaces are limited, sign up in the reception.
- J** **Earth Photo Exhibition**  
See a stunning selection of still and moving images telling powerful stories about our planet, its inhabitants and lands.
