

THE GREAT EXHIBITION ROAD FESTIVAL

A guide to
Hands-on families zone:
Quiet session

11.00-12.00

Sunday 19 June

Princes Gardens

This is Exhibition Road

People will be on Exhibition Road with their activities during the Festival.

When you arrive there won't be so many people. It might become very busy later on.

A small road connects Exhibition Road to Princes Gardens.

This is Princes Gardens.

When the Festival is on, the Hands-on families zone will be here.

When you get to Princes Gardens, go to the information tent.

Rosie

Rosie or another helper will be there. They will have a list of all the people who are coming.

The information tent opens at 10:45.

At the information tent, you can get a wristband to wear or carry. It shows people what you want them to do.

Green means: you can talk to me.

Red means:
do not talk to me, I will talk to you when I am ready.

In Princes Gardens, there will be food stalls selling pizza and ice cream.

There will be taps for drinking water.

Toilets are nearby. They are portaloos.

There will be marquees in Princes Gardens. In the quiet session, some will be open and some will be closed.

You can go inside the open marquees. There will be people to meet and things to do.

There will be four activities in marquees, and two shows on the Family Stage.
