

# The Magical Microbial World of your Gut!

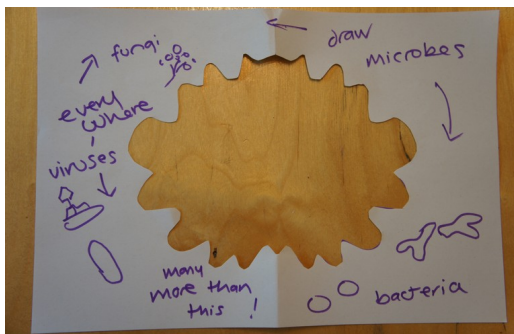

Jennie Pedley

1 Open ends of box, cut oval out, cut slit along top

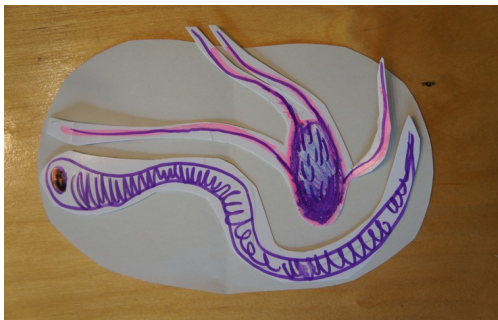

2 Fold A4 sheet draw wobbly oval & cut out

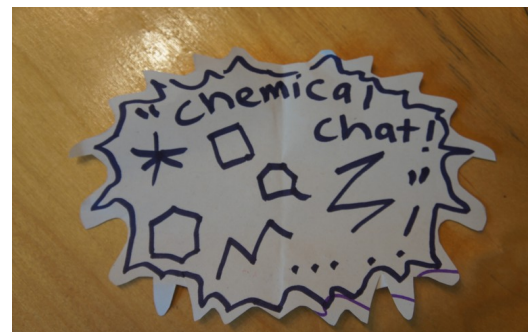

3 Draw microbes on the paper and stick around oval hole on box

4 Draw more microbes and their food, put inside box

5 Draw microbe with flagella on card, cut it out & hang it through slit in top. Make a worm to hunt microbes!

6 Draw microbial speech bubble of chemical chatter - releasing nutrients you need

7 Feed your microbes with real or drawn fruit, veg & wholemeal bread, so they can keep you healthy. Make your creatures swim and hunt, put on a show & film it!
